MISCELLANEOUS DEPARTMENTS.

OFFICE OF THE DIRECTOR OF SANDALWOOD OIL FACTORIES, BANGALORE.

Supply of Charcoal to the Sandalwood Oil Factory, Mysore, from 15th August 1929 to 30th June 1930.

Sealed tenders for the supply of about 25 tons of charcoal for the use of the Sandalwood Oil Factory, Mysore, in quantities, as may from time to time be required, will be received by the Assistant Director of Sandalwood Oil Factory, Mysore, up to 12 noon of 1st August 1929.

Each tender should be accompanied by a deposit of Rs. 50 as earnest money. Any tender not accompanied with this amount will not be considered.

The Director, Sandalwood Oil Factories, does not bind himself to accept the lowest tender, but reserves to himself the right to accept any tender, that may be considered expedient.

Tenders should specify the rates per ton, which should include cost of free delivery at the Sandalwood Oil Factory, Mysore.

For the fulfilment of the contract the successful tenderer will be required to execute an agreement on stamped paper, within a week from the date of intimation that his tender has been accepted, failing which, the earnest money deposited by him will be forfeited and the order cancelled.

Earnest monies of the unsuccessful tenderers will be refunded.

The quantity required is only approximate and may be more or less by 25 per cent on either side.

No application from the accepted contractor for enhancement of rates during the currency of the contract will be entertained, under any circumstances whatever.

Should the contractor fail to supply or to comply with any of the conditions, the contract will be cancelled and the earnest money forfeited and the contractor will further be bound to make good to the Director, all losses that may arise from his failure to supply the article or by Government having to purchase it from elsewhere at higher rates.

M. G. MEHKRI,
Director.

GOVERNMENT OF MYSORE, ELECTRICAL DEPARTMENT.

Notice dated 8th July 1929.

1. Notice is hereby given that sealed tenders will be received at the Office of the Chief Electrical Engineer to the Government of Mysore, Bangalore, up to 5th August 1929, for constructing an Office and Store Room, and one unit of Latrine at Closepet.

2. The tenders will be opened in public at 2 P.M., on the 5th August 1929. The work should be completed within two months from the date of acceptance of the tender.

3. The plans, detailed estimates and conditions may be obtained at the Office of the undersigned, between the hours from 11 A.M. to 5 P.M., on any working day.

4. Tenders should be submitted in the usual form and should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed. The rates should be in figures as well as in words.

5. The final acceptance of tender will rest with the Chief Electrical Engineer, who is not bound to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Each tender must be accompanied with an earnest money of Rs. 200 in cash or Government Promissory Notes and superscribed "Tender for constructing an Office and Store Room and one unit of Latrine at Closepet," in default of which tenders will be rejected.

7. Within ten days from the date of awarding the tender, the successful tenderer will be required to execute the usual contract bond, in default of which his tender will be considered as cancelled and the earnest money will be forfeited.

8. The name of the successful tenderer will be posted in the Office of the Chief Electrical Engineer to the Government of Mysore, Bangalore, in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

9. The construction work should be started within fifteen days from the date of the notification of acceptance of tender.

10. On acceptance of any of the tenders, the earnest money on the rejected tenders will be returned.

11. Any other conditions that the contractor may wish to state should also be included in his tender.

12. Water for construction should be got at the contractor's own expense.

13. Specifications for work are those recognised by the Mysore Public Works Depart-
